.....

Please make sure your dancer's shoes fit properly and securely so they can get the most out of class. Shoes that are too big or have too much room at the toe make it difficult for dancers to move correctly in the shoe. Leather shoes will also stretch. Linda, Marley, Patchouli, or Emily J can check your new shoes before you wear them if you would like.

Dressing correctly aids in dancer movement, dancer comfort, and visibility for instructors to give necessary corrections. You may use our changing area or the restroom to change before or after class if needed.

**Where to find items:**

We recommend [The Dance-Wear House](#), [Stage Center](#), and [Dancer's Pointe](#) for dance shoe and attire purchases. They are all helpful and trusted local businesses in our area.

We recommend [Keilys](#) online store for Irish shoe purchases.
