**A Time to Dance Summer Dance Program** www.ATimeToDanceOhio.com  
**2022**

Our summer dance program is committed to your growth as a dancer and as a performer. This year, we will be using a variety of classic dance routines as well as popular music themes to expand your choreography vocabulary, challenge your learning pace, and cross-train your dance abilities. Summer dance is the perfect time to sneak in something different or focus exclusively on some corners of your technique. Building these things up will boost your confidence and be something you take with you into next season on.

Workshops run three days in a row (Tuesday-Thursday) for 45 minutes each night. Each workshop is \$40 OR take advantage of our special **4 for \$144 now through June 6th only.**

Please note the Dance to My Beat class for three year olds is shortened to 30 minutes long, and tuition for it is \$30. Troupe and Junior Company will follow their summer pricing. Conditioning runs weekly for all nine weeks; you may drop-in to any number of sessions for the normal workshop rate.

Register by calling, emailing, or stopping in during business hours. Current students only may register online as well beginning 6/2.

**We will be open Monday, June 6th 11am - 7pm for in-person Summer Registration and/or to drop off payment for online registrations.**
