I will not hold Dance with a Mission or its directors responsible for any injury or loss of property at the event. I understand that this is a community fundraiser and will not hold any of the volunteers, school employees or dance studios responsible for any injury at the time of the event. I understand that I may take non-flash photography from a seated position, but will not be videotaping due to privacy factors and safety of possible Competition Dance numbers. I understand that the purpose of Dance with a Mission is to raise money for St. Baldrick’s Foundation – Canton. This a fundraiser, not a competition or recital. This is a community effort to bring forth dancers and community action. I also understand that Dance with a Mission will take some photos and short video clips for social media and marketing purposes. I understand that the audience and participants may be included in the spectrum of making the fundraiser a social awareness project and a success.

Non-flash photography may be taken from a seated position only. Standing to take pictures and/or use of a tri-pod will not be allowed. Videotaping choreography will not be allowed as many studios are bringing competition pieces and we wish to honor choreography issues. While the dancers perform, we will not have any cheering from the audience. We will use clapping as the means of appreciation and support.

Attention studio owners/Instructors:

We are asking all dance instructors/owners to NOT give verbal notes or any vocalized instruction to the dancers' backstage during their dance performance. Though dance instructors/owners are allowed backstage while the performance is going on, no verbal communication will be tolerated. Techniques displayed during the performance will be applauded and appreciated without any vocal input from individuals from the wings during the dance.

FEES (checks only-FEES ARE PER DANCER-READ BELOW CAREFULLY):

\$10 One-time Registration Fee made payable to Jackson Local Schools

\$45 Tax-Deductible Entry Fee per Dance Entry made payable to St Baldrick's Foundation

Example: 1-Sue will pay a \$10 fee to Jackson Local Schools

2-Sue will pay \$45 for dancing in a group, \$45 dancing in a solo, and \$45 dancing in her duet. Her other group members will each pay \$45 and her duet partner will also pay \$45 on their own. This donation check gets made out to St. Baldrick's Foundation. This means each dancer will send two checks in the mail, one made out to Jackson Local Schools (which is always \$10), and the other made out to St. Baldrick's Foundation, which depends on how many dances one participates in. Sue will have one check for \$10, and one check for \$135 to St. Baldrick's Foundation all being sent via mail.
